United States District Judge  
Foley Square  
New York, New York 10007

**Re: United States v. Borker, 17 CR 391 (PGG)**

Dear Judge Gardephe:

Several days ago I filed a motion for return of property. After the motion was filed I was contacted by the Government and it has agreed to return certain property to Defendant which is currently scheduled to be picked up on next Monday. I would therefore request that the pending motion be placed in abeyance until this property has been returned. I will then inform the Court whether the motion will be withdrawn.

Respectfully submitted,
